Australasian Law Reform Agencies Conference - Darwin 2002: INPUT SOUGHT

The Law Reform Agencies of Australasia (which includes the Law Reform Committee of the Northern Territory) hold a conference every two years on which matters relating to law reform and the activities of the Agencies are discussed.

For the first time this conference will be held in Darwin in 2002.

The organising subcommittee is seeking assistance from practitioners to select a suitable topic for an overall conference theme. The topic should be appropriate for law reform in a local or international setting and probably require some reference to communications technology.

Suggestions can be forwarded to the Law Society via fax: 8941 1623 or email: lawsoc@lawsocnt.asn.au
