THE PARLIAMENT OF THE COMMONWEALTH OF AUSTRALIA  
HOUSE OF REPRESENTATIVES

---

Presented and read a first time, 18 September 1987

*(Minister for Primary Industries and Energy)*

## A BILL

FOR

### An Act to impose a charge on the export of certain horticultural products

BE IT ENACTED by the Queen, and the Senate and the House of Representatives of the Commonwealth of Australia, as follows:

#### Short title

5     1. This Act may be cited as the *Horticultural Export Charge Act 1987*.

#### Commencement

2. This Act shall come into operation on the commencement of the *Horticultural Levy Act 1987*.

#### Principal object

10    3. The principal object of this Act is to ensure that adequate funds are raised for the operations of the Australian Horticultural Corporation and the Horticultural Research and Development Corporation.

**Collection Act to be read with this Act**

4. The *Horticultural Export Charge Collection Act 1987* is incorporated, and shall be read as one, with this Act.

**Act binds Crown**

5. This Act binds the Crown in right of each of the States, of the Northern Territory and of Norfolk Island. 5

**Imposition of charge**

6. Subject to this Act, charge is imposed on chargeable horticultural products produced in Australia (whether before or after the commencement of this Act) that are exported from Australia after the commencement of this Act. 10

**Rates of charge**

7. (1) Subject to subsection (2), the rate of charge in relation to a chargeable horticultural product is the sum of the rates prescribed by virtue of sections 8, 9 and 10 that are applicable to the class of chargeable horticultural products in which the product is included. 15

(2) If the Australian Statistician has published an annual average unit gross value in relation to a class of horticultural products for the first 3 of the 4 immediately preceding financial years, the rate of charge in the current financial year in relation to products in the class of products shall not exceed 2% of the average of those values. 20

**Rates of charge destined for the Australian Horticultural Corporation**

8. The regulations may fix a rate of charge for the purposes of this section in relation to a class of chargeable horticultural products.

**Rates of charge destined for the Horticultural Research and Development Corporation** 25

9. The regulations may fix a rate of charge for the purposes of this section in relation to a class of chargeable horticultural products.

**Rates of charge destined for other purposes**

10. The regulations may fix a rate of charge for the purposes of this section in relation to a class of chargeable horticultural products. 30

**Flexibility in relation to rates of charge**

11. Without limiting the generality of sections 8, 9 and 10:

- (a) different rates may, for the purposes of those sections or any one of them, be prescribed for different classes of chargeable horticultural products; 35
- (b) different rates may be prescribed in relation to a class of chargeable horticultural products for the purposes of each of those sections; and

- (c) a rate may be prescribed in relation to a class of chargeable horticultural products for the purposes of one or 2 of those sections, and not for the purposes of the other sections or section.

**By whom charge payable**

5       12. The charge on chargeable horticultural products is payable by the owner of the products.

**Exemptions from charge**

13. The regulations may exempt from charge:

- 10       (a) chargeable horticultural products exported by specified classes of persons; or
- (b) specified subclasses of a class of chargeable horticultural products.

**Regulations**

15       14. (1) The Governor-General may make regulations, not inconsistent with this Act, prescribing matters:

- (a) required or permitted by this Act to be prescribed; or
- (b) necessary or convenient to be prescribed for carrying out or giving effect to this Act.

20       (2) Without limiting the manner in which classes of chargeable horticultural products may be described in the regulations, the regulations may describe such classes by reference to:

- (a) the use for which the products are exported or sold for export; or
- (b) the state, form or condition of the products, whether by reference to a process or otherwise.

25       (3) Before making regulations for the purposes of section 8, the Governor-General shall take into consideration any relevant recommendation made to the Minister by the Australian Horticultural Corporation.

      (4) Before making regulations for the purposes of section 9, the Governor-General shall take into consideration any relevant recommendation made to the Minister by the Horticultural Research and Development Corporation.

30       (5) Before making regulations for the purposes of section 13, the Governor-General shall take into consideration any relevant recommendation made to the Minister by the Australian Horticultural Corporation or the Horticultural Research and Development Corporation.

35       (6) Before making a recommendation to the Minister for the purposes of subsection (3) or (5), the Australian Horticultural Corporation shall consult with the body that, under the regulations, is the eligible industry body for:

- (a) the relevant chargeable horticultural products; or
  - (b) the relevant class or subclass of chargeable horticultural products;
- 40 as the case requires.

(7) Before making a recommendation to the Minister for the purposes of subsection (4) or (5), the Horticultural Research and Development Corporation shall consult with the body that, under the regulations, is the eligible industry body for:

(a) the relevant chargeable horticultural products; or

5

(b) the relevant class or subclass of chargeable horticultural products; as the case requires.

(8) A recommendation under subsection (6) or (7) shall be accompanied by a written statement of the views of the body consulted in relation to the making of the recommendation.
