**BROADCASTING SERVICES (TRANSITIONAL PROVISIONS AND
CONSEQUENTIAL AMENDMENTS) BILL**

OUTLINE

The Government is proposing to move a further amendment to allow existing AM commercial radio licensees in an area where a new FM commercial radio service has been approved, pursuant to an existing application, to take advantage of provisions under the Broadcasting Act which would allow conversion to FM on payment of fixed fees.

NOTES ON CLAUSES

Amendment 1

This amendment will allow existing AM commercial radio licensees in an area where a new FM commercial radio service has been approved, pursuant to an existing application, to take advantage of provisions under the Broadcasting Act which would allow conversion to FM on payment of fixed fees.
