## Higher Education Funding Amendment Bill (No. 3) 1989

### OUTLINE

The purpose of this Bill is to amend the Higher Education Funding Act 1988 to provide as a condition of payments under the Act that States will not take any action to prevent or hinder the imposition or collection of fees by higher education institutions for organisations representing the interests of students generally. It enables the Minister to determine, if the condition is not met, an amount payable by a State to the Commonwealth and amounts of Commonwealth payments to institutions in respect of such organisations.

### FINANCIAL IMPACT

The Bill will have no financial impact on Commonwealth outlays. The total of any Commonwealth payments to institutions will not exceed the total amounts payable by States to the Commonwealth.
