Price to be
paid for
wheat.
Ibid., s. 10.

11—(1) Where wheat is delivered to the Board in pursuance of this Act, the Board shall pay for that wheat (including the corn sacks, if any, in which the wheat is delivered) an amount determined by the Board in accordance with this section.

(2) The Board shall determine amounts payable under subsection (1) of this section in respect of wheat of a season by—

- (a) ascertaining the net proceeds of the disposal by the Board of all wheat of that season delivered to the Board in Australia (whether in pursuance of this Act or otherwise);
- (b) deducting from the amount so ascertained an amount calculated at the rate of threepence for each bushel of so much of the wheat of that season grown in the State of Western Australia as the Board certifies to the Commonwealth Minister to have become available for export to places outside Australia or such lesser amount as the Board determines having regard to the freight charges that have and may become payable in respect of that export and the rate or rates at which freight charges are payable in respect of the export of wheat from other places in Australia; and
- (c) ascertaining the share in the remaining amount of each person entitled to payment under this section by apportioning that remaining amount amongst the persons who delivered wheat of that season to the Board in Australia (whether in pursuance of this Act or otherwise) on the basis of the number of bushels of wheat so delivered by each such person, with proper allowance for differences in the quality of wheat and for transport charges for the carriage of wheat to the terminal port from the place at which the wheat was delivered to the Board, corn sacks in which wheat was supplied to the Board, and other necessary adjustments in particular cases.

(3) For the purposes of this section, the Board is not bound to preserve the identity of wheat of a season, and may keep its accounts in respect of sales in such manner as will, in its judgment, attribute sales to wheat of different seasons in an equitable manner.

(4) The Board is not bound to make a final payment in respect of wheat of a season until it has disposed of the whole of the wheat of that season delivered to it in Australia (whether in pursuance of this Act or otherwise), but the Board may, with the approval of the Commonwealth Minister, make from time to time such advance payments as it considers justified.

(5) Subject to this section, the net proceeds of the disposal of wheat shall, for the purposes of this section, be deemed to be the net return from the disposal of the wheat (including corn sacks in which the wheat was sold) after paying the charge imposed by the *Wheat Export Charge Act 1963* of the Commonwealth and administration, interest, transport, storage, and other charges incurred by the Board (other than charges for transport to the terminal port from the place at which the wheat is delivered to the Board).

(6) In ascertaining the net proceeds of the disposal of any wheat, no account shall be taken of moneys to which section eighteen, or a corresponding provision of the Commonwealth Act or an Act of another State, applies or of costs of the Board payable out of those moneys.

(7) Where the average price per bushel obtained by the Board for wheat of a season exported by the Board, or sold by the Board for export, is less than the guaranteed price, the net proceeds from the disposal of wheat of that season by the Board shall, for the purposes of this section, be deemed to be increased by the amount that becomes payable to the Board under the Commonwealth Act out of the Wheat Prices Stabilization Fund referred to in that Act, that is to say, an amount ascertained by multiplying the amount of the difference between that average price and the guaranteed price by—

(a) a number equal to the number of bushels of wheat of the season exported by the Board, or sold by the Board for export; or

(b) one hundred and fifty million,

whichever is the less.

(8) In ascertaining the average price for the purposes of subsection (7) of this section, the price obtained in respect of a sale other than a sale of fair average quality bulk wheat free on rails at the port of export shall be deemed to be the price that would have been the corresponding price for a sale of the same quantity of fair average quality bulk wheat free on rails at the port of export.

(9) The obligation of the Board under this section in respect of any wheat is subject to the operation of section eight of the *Wheat Tax Act 1957* of the Commonwealth.

12—(1) The amount payable under this Act in respect of any wheat, or wheat and corn sacks, is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the delivery of the wheat.

Payment by
Board.
Ibid., s. 11.

(2) The same rights (if any) exist against the person receiving an amount paid by the Board under this Act in respect of wheat, or wheat and corn sacks, as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat, or wheat and corn sacks, by him,

and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4) Subject to subsection (5) of this section, an assignment of moneys payable by the Board in respect of wheat, or wheat and corn sacks, delivered to the Board (not including a registered crop lien) executed after the commencement of this Act is void as against the Board.

(5) Where a person assigns moneys payable to him by the Board in respect of wheat, or wheat and corn sacks, delivered or to be delivered to the Board in payment of, or as security for payment of, an amount payable by that person for corn sacks supplied to him, the Board may pay those moneys to the assignee.

- (b) consigns or delivers to a licensed receiver, after the final delivery day in respect of a season, wheat harvested in that season,

shall make and forward to the licensed receiver a declaration correctly stating the season during which the wheat was harvested.

(2) For the purposes of this section, the final delivery day in respect of a season is the day declared to be the final delivery day in respect of that season by notice published in the *Commonwealth of Australia Gazette* under the Commonwealth Act.

- (b) take possession of and remove any wheat that is the property of the Board or the delivery of which has been lawfully demanded by the Board, and any corn sacks in which any such wheat is contained or that are the property of the Board.

(2) No person shall hinder or obstruct a police officer in the exercise of his powers under this section.

(3) Wheat, other than wheat that is the property of the Board, of which possession is taken under subsection (1) of this section, and any corn sacks in which the wheat is contained, shall, for the purposes of this Act, but without affecting the liability of a person for an offence, be deemed to be delivered to the Board under this Act.

15—(1) For the purposes of this Act, the Board may, by notice in writing served on the person to whom it is addressed either—

(b) furnish to the Board information that is false or misleading in any particular.

(2) Subject to this section, the price per bushel in respect of a wholesale sale of bulk wheat of fair average quality free on rails at a port of export shall be the guaranteed price for wheat of the season that is current at the beginning of the year in which the sale is made.

(3) The price applicable under subsection (2) of this section shall be increased by an amount of twopence per bushel for the purpose of reimbursing the Board for the costs of shipment of wheat to this State.

(4) If the Board reports to the Commonwealth Minister that the amounts being received by the Board by reason of the operation of subsection (3) of this section, together with amounts being received under corresponding provisions of the Commonwealth Act and of the laws of the other States, are greater or less than the amounts required to meet the costs of shipment of wheat by the Board to this State, the Commonwealth Minister may direct the Board that the amount per bushel specified in that subsection shall be reduced or increased to such extent as he considers necessary.

(5) The price in respect of a sale other than a sale specified in subsection (2) of this section shall be a price ascertained by adding to or deducting from the price applicable to sales so specified an amount that makes a proper allowance for the quality of the wheat, the conditions of sale, and the place of delivery.

(6) In this section, "year" means the period of twelve months commencing on the first day of December 1963, and each subsequent period of twelve months.

(7) Notwithstanding the repeal of section sixteen of the *Wheat Industry Stabilization Act 1958*—

(2) The Board may combine the account required to be kept under subsection (1) of this section with any similar account or accounts to be kept by it under the Commonwealth Act or under the law of any other State or States.

(3) The Board shall use the moneys referred to in subsection (1) of this section in meeting the costs of shipment of wheat by the Board to this State, and shall not use for that purpose any other moneys derived by it from the sale of wheat delivered to it in pursuance of this Act.

(4) Any moneys referred to in subsection (1) of this section that remain unexpended after the Board has disposed of the whole of the wheat of the last season to which this Act applies delivered to the Board in Australia shall be applied by the Board for the benefit of the wheat industry in such manner as the Commonwealth Minister, after consultation with the appropriate Minister of each State, directs.

(5) Any moneys that, immediately before the commencement of this Act, were standing to the credit of the account kept by the Board for the purposes of section seventeen of the *Wheat Industry Stabilization Act 1958* shall be deemed to be moneys to which subsection (1) of this section applies.
